So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

VENEZUELA

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, for more than 100 days, the Venezuelan people have been courageously protesting peacefully on the streets against the abusive regime of Nicolas Maduro.

Since June, more than 1,400 people have been injured, over 3,600 have been detained, and over 100 people have been killed by Maduro's thugs.

Just days ago, Maduro moved opposition leader Leopoldo Lopez to house arrest after more than 3 unjust years in prison. But this diversion tactic is not enough. All political prisoners must be released.

Maduro's fraudulent constituent assembly must be stopped. And more names must be added to the sanctions list, especially those human rights abusers who are responsible for the violent actions against innocent civilians.

This will send a strong message that the United States stands with the people in their struggle for democracy and for justice for all Venezuelans.

UTILIZING UAS FOR INTERNATIONAL HUMANITARIAN ASSISTANCE AND DISASTER RELIEF

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Mr. Speaker, during the full committee markup of the fis-

cal year 2018 National Defense Authorization Act, the House Armed Services Committee came together to produce a strong bipartisan bill that will ensure investment in and oversight of our military. We also recognized how valuable the Department is to international humanitarian assistance and disaster relief efforts as well.

During markup, I offered an amendment that will require the Department to assess the viability of unmanned aircraft systems in support of international humanitarian aid missions. Although it is well understood that the DOD has operated UAS platforms effectively for over a decade in offensive roles, I believe it is also important we recognize the capabilities of UAS platforms to increase the speed and quality of response forces providing disaster relief and medical assistance to those suffering around the world. Think of critical disaster efforts, whereby vital medicine and supplies are needed quickly. UAS could very well make all the difference between life and death.

I am pleased that this amendment was adopted during markup, and I thank my colleagues for their support of this endeavor.

OFFICER DOWN: MIOSOTIS FAMILIA

(Mr. POE of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POE of Texas. Mr. Speaker, as fireworks boomed in the sky above the Bronx, 48-year-old law officer Miosotis Familia sat in a mobile command unit. She was a good officer.

Known for her no-nonsense approach to law enforcement, she was friendly with the neighborhood, spoke Spanish, and was always quick with a smile and a wave. But suddenly, an evil outlaw appeared at her window and, with a heart fatally bent on mischief, pointed a .38-caliber revolver through the window and pulled the trigger, cold-bloodedly murdering Officer Familia.

She wore the uniform with the badge, the shield over her heart.

Officer Familia was one of 10 siblings from an immigrant family from the Dominican Republic, and she had three children of her own.

Our men and women in blue are being targeted, gunned down for simply wearing the uniform, gunned down by the scourge that prey on the police.

Congress should take action and protect those who serve our Nation every day, all day, on the streets of America. Senator CORNYN and I have introduced the Back the Blue Act of 2017, which increases the penalties for the soulless criminals who intentionally target the law enforcement community.

Peace officers are the last strand of wire in the fence between the law and the lawless, between good and evil.

Taps has been played for the end of watch for Officer Familia. Her life may
